

# INTERESTED IN AFFORDABLE SHARED OFFICE SPACE IN DERBY CITY CENTRE?

The Idea:

Inspired by the Open Space Cooperative in Manchester\*, Sound Bites spare room upstairs could be used as part-time shared office space for up to 10 people.

We would particularly like to encourage applications from people working on community, social or environmental issues, who may be dissatisfied with working from home, and would benefit from sharing office space with other like-minded people.

You could have access to desks, internet connection, a printer and photocopier (charged per page), and some storage space, with the office being open from 8.30am-6pm Mon-Sat plus some evenings and Sundays – to be worked out.

There are tea making facilities and access to a fridge in the adjacent room, and of course great food available downstairs in the shop!

Depending how much you plan to use the space, there are various suggested monthly rates (each with a £20 deposit).

Per month:

Half day	£10
One day	£15
Five days	£50
10 days	£80

\* "OpenSpace is a member's co-op, which for not very much money provides a lovely office in which to pursue broadly ethical and socially conscious work. Office space from £100 a month, available to freelancers, ethical businesses and social enterprises." See [openspace.coop](http://openspace.coop)

This facility could be available from April 2010, depending on the interest out there. Please forward to others who may be interested, and if you are interested yourself, please fill in and return this enquiry form to [ruth.s@soundbitesderby.org.uk](mailto:ruth.s@soundbitesderby.org.uk) or Sound Bites Wholefood Shop, 11 Morledge, Derby, DE1 2AW. We look forward to hearing from you!
